Philips
Power station

Pebble

for iPhone & iPod

DLP2281

Pocket-sized backup power

in a convenient cabel-organizing stand

The small, portable PowerStation Pebble provides up to 2 more hours of talk time. It works great as a horizontal video stand while charging your device. And its built-in headphone management design keeps your cables neat.

Charge your mobile devices
- A great spare or replacement cable to have on hand
- Micro-USB cable included to connect and charge
- Mini-USB cable included to connect and charge

Portable power
- Works anywhere - great when you're not near a power source
- Up to 2 more hours of talk time

Smart design
- Built-in desktop stand for easy video viewing
- Integrated cable management to keep things organized
- Integrated, flexible stand gives iPhone/iPod a place to sit
